Experience the epitome of Island living in this meticulously kept and beautifully renovated retreat located in the beachfront community of The Westchester on Longboat Key. This ground floor walk-out, 2 bedroom, 2 bath residence is a true coastal oasis all done up in seaside hues. The gorgeous kitchen opens to the large living/dining area and the spectacular views can be seen through impact resistant sliding doors that open wide for easy indoor/outdoor living. Step out to one of two private screened in lanais and you'll find the perfect spot to enjoy a morning coffee or an evening beverage while watching the sunset. This home is being offered with all the designer furnishings, so all you'll need to do is bring your flip flops. Here you will find a remarkable quality of laid back island life with the gorgeous beach that stretches for miles, 2 sparkling pools, a tennis and pickleball court, a shuffleboard court, and a lovely clubhouse. An on site manager is available Monday through Friday. If you're ready for more, fine dining and nightlife in the world famous St. Armands Circle and the cultural mecca of downtown Sarasota are just a short drive away. Important to note: The Westchester has completed its Milestone Inspection and all assessments have been made in full.
